Chairman Message

It is my proud privilege and pleasure to welcome all of you to the Annual General Meeting on behalf of Executive Committee of MSAK.

MSAK with more than 50 years contribution to the mining Industry will work to improve all the aspects of mining, which includes production, safety and environment with dedication, sincerity and untiring efforts. The association is dedicated to the service of mining fraternity with great zeal and enthusiasm in strengthening the industry, which is the back bone for the nation's economic growth.

As you know that MSAK propose to conduct National Conference on "MSAK MINING CONCLAVE 2020" "during June 2020 to deliberate on main themes, but due to Covid-19 pandemic, the programme was postponed indefinitely.

In view of the Covid-19 pandemic, the entire world is in a grip of a monumental public health crisis as well as concomitant acute economic and humanitarian distress. However, in view of the pandemic, we are holding the AGM on a virtual platform. The Annual Report for 2019-20 gives broad picture of activities of MSAK.

The MSAK also felicitated the officials of DGMS and Sr.Mines Managers namely,

DGMS Officials

1. Shri Subramanian, Director General, Ministry of Labour & Employment, Dhanbad
2. Shri Mihir Choudhary, Director of Mines Safety, Ministry of Labour & Employment, Bengaluru
Region

Sr.Mine Managers

1. Shri. Vaman Rao, M/s. NMDC
2. Shri. Kashinath Kadadi M/s. HGML

The printing of Safety Calender is well appreciated among the member mines. The Managers, GVTC, CN Halli, Kariganur and Sandur were responsible to design the Calender.

It gives me immense pleasure to convey my hearty greetings to all the Executive Committee Members of MSAK. Further I appreciate Office Bearers and Executive Members for their excellent contribution for success of MSAK during 2019-20.

I would like to thank all officials of DGMS, Ballari & Bengaluru for their constant support and direction.

I appreciate Mr.Dhanjaya G Reddy for his active role in the safety week celebrations and my sincere thanks to All Zonal Secretraries viz. Mr.K.Madhusudana, Mr. Suresh K Kulkarni, Mr. N.Ranadive and Mr.K.Ramakrishna Reddy.

In order to protect self & have full safety follow SMS Practice (ie Sanitization, Mask and Social Distancing).

The Chairman called for the attendance register signed by all the attendees and after taking count of members and confirming the quorum for the AGM, called the meeting in order.

WELCOME ADDRESS

The Hon. Secretary welcomed all the DGMS officials and all the Members present in the Annual General Meeting.

1. GENERAL TALK ON “MINING AFTER 2020 – NATIONAL STEEL POLICY – EMPLOYMENT OPPORTUNITIES”

Dr. Meda Venkataiah briefed General talk on “Mining after 2020- National Steel Policy – Employment opportunities”. Mining is the largest source of employment in remote and rural regions next only to agriculture. Mining results in a positive impact on the socio-economic development of local communities and employment of rural youth.

Mining involves identifying and extracting mineral resources hidden in the earth, which are of no value unless extracted. Thus, mining creates primary value out of nothing and further leads to value addition through mineral beneficiation. In the process, it generates huge employment opportunities; which intern leads to improvement in social-economic status of the communities and inclusive growth in the economy. He also stressed the impact of so many working mines which are going to be non-operational w.e.f. 1st April 2020. There may be impact of closure of many working mines beyond that date, upon the employment opportunities, raw material availability to the value chain, etc to some period.

2. CONFIRMATION OF THE MINUTES OF AGM FOR THE YEAR 2017-18:

Hon. Secretary presented the zest of the minutes of the previous Annual General Meeting 2017-18, which was held on 29th September 2018 and printed in the Annual Report for approval. The minutes were accepted and approved; Sri K. Ramani proposed and seconded by Sri. Y. Ramamohan Reddy.

INDEPENDENT AUDITOR'S REPORT

To,
The Members
Mines Safety Association Karnataka (MSAK)
Hosapete, Ballari District, Karnataka

Opinion

We have audited the accompanying financial statements of Mines Safety Association Karnataka (MSAK) ("the Association"), Hosapete, Ballari District, Karnataka, that comprises the Balance Sheet as at 31st March 2020, the Income & Expenditure Account for the year then ended and the annexed significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements read with notes thereto, are prepared, in all material respects, in accordance with the Karnataka Societies Registration Act, 1960 and give a true and fair view of the state of affairs of the Association as at March 31, 2020 and its deficit (excess of expenditure over income) for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of financial statements section of our report. We are independent of the Association in accordance with the code of Ethics issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance with the code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Executive Committee of members of MSAK is responsible for the preparation of these financial statements that give a true and fair view in accordance with the requirements of the Karnataka Societies Registration Act, 1960 and generally accepted accounting principles and to provide for such internal controls as the Executive Committee determines it necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using going concern basis of accounting unless the Executive Committee either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India will always detect a material misstatement when it

exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of the Association's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by the Executive Committee.
- Conclude on the appropriateness of the Executive Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw our attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
